dedication

Editor's Note: Each year the Senior class is granted the opportunity to dedicate their Senior yearbook to a member of the College community that best exemplifies the standards of consciousness, morality, fairness, good heartedness, and dedication to the College.

Great deliberation was given to the matter this year, and from an excellent field of nominations emerged two very strong and capable administrators. The yearbook dedication committee felt that each was an easy and natural winner, and thus the committee saw fit to dedicate their yearbook to both of these Curryites, Mrs. LeBaron and Mr. Hastings.

Both persons have served Curry well in a number of ways. The Class of 1978 wishes them well, and thanks them from the bottom of our hearts for the several ways they have helped us throughout our Curry duration.

Mrs. Helen LeBaron

Unfortunately most of us don't get to meet Mrs. LeBaron until our bills don't get paid on time and she calls us in to see her. We go slinking in there, only to find a woman who is as helpful as time allows her to be.

She's not one to waste time with us. She has no time to waste. She comes in early most every day, and is usually the last to leave . . . and she takes work home with her. She has run the Bursars Office for many years, with really little help. When you see her in the office she is always scampering about . . . she is so busy!

A vital member of the Curry Community, she has finally been given some help with the addition of Mr. Marchi. But since Curry is ever growing, the work load will too, and she'll be as busy as ever.

The Class of 1978 thanks her for her hard work and dedication to Curry College.

Mr. Ned Hastings

When a crisis happened in 1977 and the students needed someone to talk to (during the great leadership turmoil), Ned Hastings stepped in, and filled the void.

When the students cried for a voice in how the dorms were run, Ned Hastings stepped in to moderate an all College forum.

When Dean Fred Kirschenmann resigned, an Acting Dean was needed, and Ned Hastings was a natural choice because of his knowledge, and overwhelming good sense.

He has filled that position well enough that some would like to see him become the Dean, not the Acting Dean.

He has shown fairness, especially to students. He has shown ability to handle problems. He has shown the students that yes ----- students are the first concern of the College (but they can't have everything!)

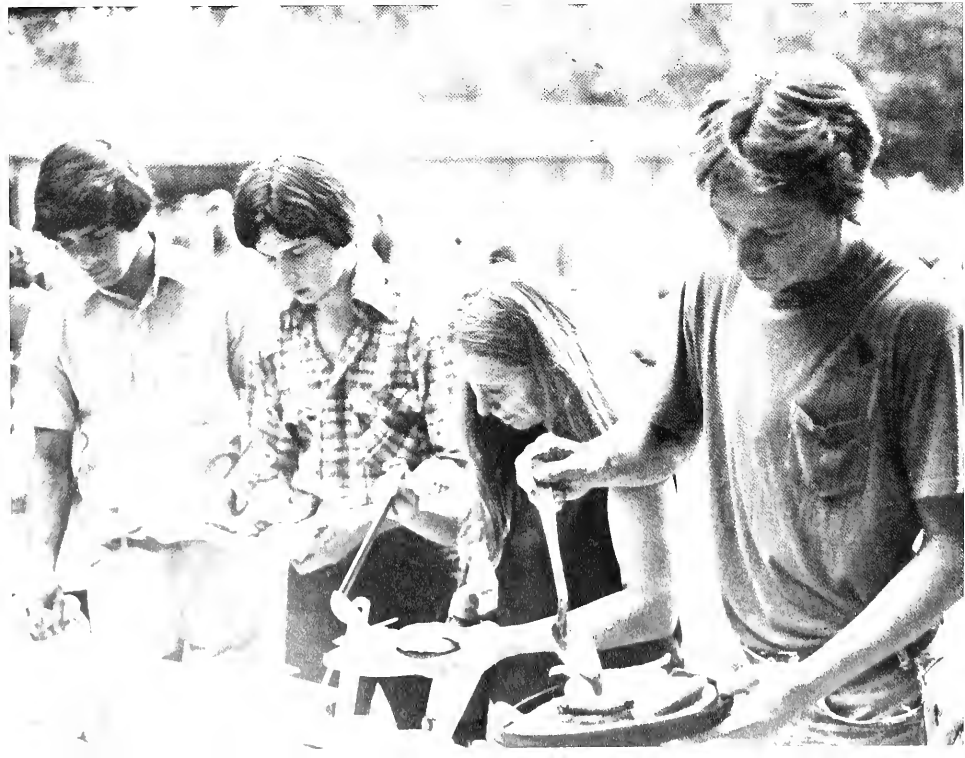

Just another thing. Ned Hastings is the first person to be so honored in this manner twice. His first time was the 1968 Curryer dedication. Perhaps Curry will be lucky enough to have him here still for another decade, for he is a great person, academically and socially. Maybe he'll get the dedication in 1988 too!

"Heyyy!"

Talent cascaded onto the stage of Foard Auditorium on the night of October 15th, entertaining us with style and charm. We traveled back through time into those fabulous fifties complete with the spectacular Elvis. The team of Hanley and Campbell displayed their outstanding flair for showmanship! Bob Tomaselli and Mark Cember were a pretty slick duo; Marty Casey strutted his stuff in fine Elvis style; Rich Holbrook crooned his way into our hearts; Joelyn Harden captivated us with her fancy footwork; Christy Johnson and Joyce Herling among others were a marvelous contribution to this extravaganza which could have not become reality without the gifted sounds of Andy Chessin and his band. Star Wars exploded onto the stage as choreographed by Gregory Little. All in all it was a night to remember.

The Senior class sponsored a Halloween Festival which turned out to be a bewitching success. Curryites fashioned in their finest feathers and had a "gay" old time! The evening was complete with an array of sights, sounds and sensations, among them a hypnotist, a psychic, a palm reader, tarrot cards, a commuter raffle, bobbing for apples, a best costume contest, and of course, much beer. C.C. was right in the "spirit" of things!

Homecoming '77!

Homecoming '77 was a wonderful occasion which afforded everyone a chance to celebrate and socialize in high style. The festivities began with a two point victory over New Haven and ended at Hillcrest, the Homecoming Dance. Everyone looked suave and sophisticated, got loaded and had a swinging time. 'Graham Cole' kept us rockin', making it a very informal formal!

Nancee Chalifour relinquished her crown to Mary Coleman, who accepted radiantly. Her court waited excitedly for Joe Noonan, her escort, to reappear from the foyer where he was gallantly downing a few. A lovely evening was had by all.

"This is a play about Gregory, Jim, Christie, Karen, David, Peter, Patrice, and Alice and their encounter with the magic of the Godspell. They have made the libretto which is based on the Godspell of St. Matthew uniquely their own. The pantomimes were developed by them as an expression of what they found in each of Jesus' parables. So through them the Godspell comes alive.

Just as the original production tried to bring new life to our hackneyed understanding of the Godspell, so have those who worked on this production sought to find a new and meaningful way to tell the story. In the original production the action took place in a chainlink enclosure with clown characters. In this production the action takes place in the street and the characters are caricatures of reality. Can the Godspell happen in our streets? Can the Godspell happen today? Can the Godspell breakaway the caricatures of ourselves? Ask Alice, Richard, Patrice, Peter, David, Karen, Christie, Jim, or Gregory. Then ask yourself."

The MGB sponsored the second annual Gong Show, which proved to be the hilarious success last year's was. Mark Carter as emcee revealed all and Julie Basile was a pretty foxy hostess. The distinguished panel of judges consisted of Sue Lupica and Bob Scappini, by virtue of their renowned savoir faire, and Scot Wilson and Ruth Lucas by virtue of their fine reputations as connoisseurs of art. Krebsie and Benzie gave wild renditions of "Mac the Knife" and "Secret Agent" which won them the first prize of a keg. Beer was chugged and chugged and chugged. Bill Round gave a very well rounded performance on the guitar. Dodger and his buddy were gonged Al Jolson style. There was much hubbub and cutting up as the judges scored the talent. Hurrah for comic relief!

Place your bets!

During the big blizzard of 78 the Senior class sponsored the annual Horseracing Night. Due to the storm there was just a small turnout, but was much fun for those who could make it, as the Seniors hosted the event they brought to Curry for the last time.

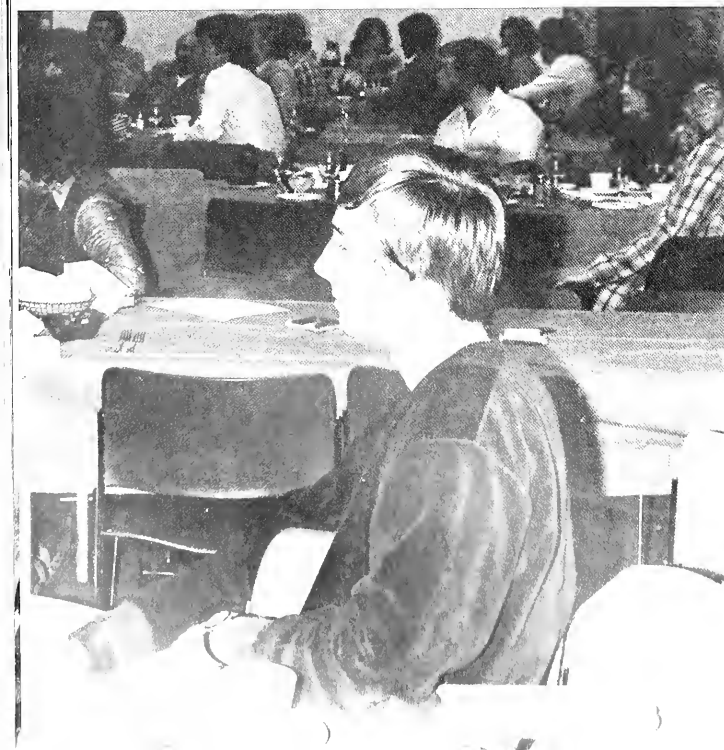

Blood Drives

Each year when the Count Dracula's of the world come to call Curry Students can't wait to be lucky victims. A case in point is the annual Red Cross Blood Drives. This page depicts the students giving blood, and eating (and drinking) goodies afterwards. Because of the cafeteria, it is rumored, some come and give blood just to have a decent snack afterwards. A real worry might be that of the blood given, 99% might be full of alcohol. Oh well, happy drinking!

The Senior Dinner was held in October in order for the seniors to get together, have a little wine, and hear a little about what they were supposed to be doing to get ready for the big day: commencement. After the wine, some of them were far from serious, but sobered up under informative talks from Dean Hastings and Dean Jackson. Real worthy words of advice were given by guest Barbara Fournier. Joanne Roderiques also informed the seniors on how the class was to proceed onwards . . .

Spring Weekend

A Day In The Busy Life

Up with the morning light Joanne leaves Milton Hall (where she resided as House Director) ready for a busy days work ...

... a trip to the library ...

... which includes classes ...

... and lunch with a good friend (here Jeb Killion).

Senior Class President Joanne Roderiques lead a hectic and busy life throughout her Curry career. Various times she was a House Director, a Resident Advisor, a yearbook section Editor, Dean's List member, and a member of the Alexander Graham Bell Society. Her senior year was probably busiest as she lead her class through last minute fund raising events, fights with the Senate (for SIP money), and preparations for graduation; along with the most expensive and best senior week ever at Curry. These two pages help depict a typical day, in a way, but are not really reflective on how much work she put in to everything.

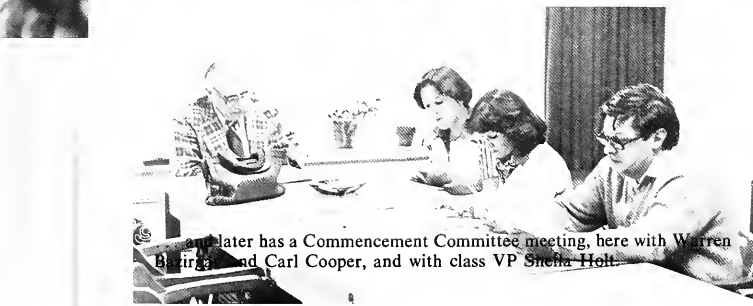

Of Joanne Roderiques

After a quick lunch Joanne checks in to help sell Senior Week tickets . . .

A quick jog to help stay fit before dinner . . .

Joanne later has a Commencement Committee meeting, here with Warren and Carl Cooper, and with class VP Sheila Holt.

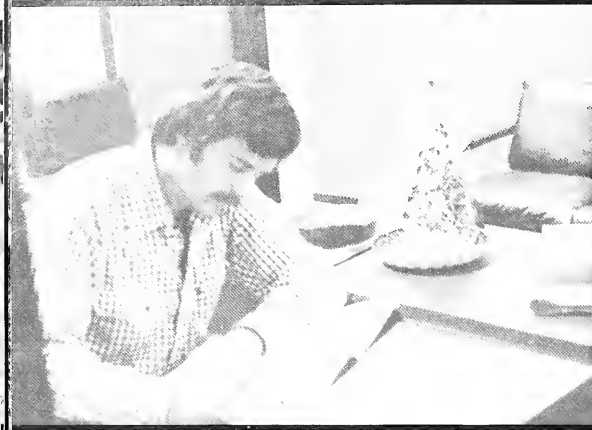

Joanne, as President, did much work for the Senior Class, and did a great job on getting the Seniors to work and contribute to class projects. Of course she had a great class to lead, for a leader is only as good as the group they have to lead. A great leader and a great class compliment each other, and that was the story of the Class of 1978.

. . . and a look on the Senior Week ticket counter held during dinner.

After dinner, and before play time, Joanne does quite a bit of studying, which of course enables her to stay consistently on the Dean's List through four Curry years.

Spring Achievement Awards Banquet

April 20, 1978

Just before the close of the school year we all gathered together for the annual awards night. A great steamship roast beef meal followed a wine and cheese hour, and then we watched the awards ceremony.

Capping the evening was the announcement of Dean Hastings as the Person of the Year, presented by Mrs. Janet Kirschenmann (wife of former Dean Kirschenmann who was unable to attend to give this award).

Many awards were given, and are completely printed on page 57.

On April 13 the Curry community enjoyed the second annual All College Celebration. Once again, we went to a crowded, full bar happy hour in room 119, and then down to a good dinner at the cafeteria. The highlight of the day was when Senate President Round presented Curry President John Hafer with a document for the outgoing President to keep as a historical souvenir.

At right, celebration committee chairpersons Bunny Aronson and Dave Transom confer. Below: President Hafer (with his wife) holds up the Resolution presented to him by Senate President Bill Round. The Resolution was the original proclamation by President Hafer establishing the Student Senate.

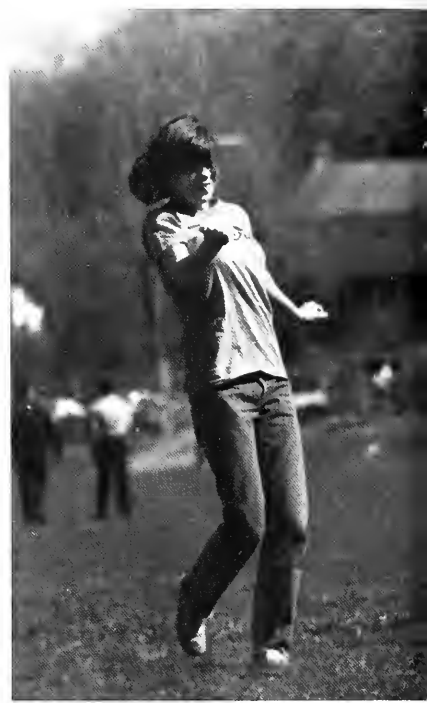

International Night

On April 15 the annual International Night unfurled once again in room 119. The night featured the exotic dishes of foreign lands, foreign dances and rituals, and a modern disco dance. One of the best cultural events on campus every year, it is put on by the International Club.

Field Day: "The Olympics"

The Men's Governing Board put together a fantastic array of events which they called "The Olympics". The events included tug of war, softball, volleyball, beer, more beer, and other events such as foot races. Everyone had a real blast, including all those folks who got all muddied up in the tug of war! A great way to help wrap up the year.

Past A G l a n c e s

History is something to be remembered, for it is said that man will repeat his mistakes if he does not remember his previous errors. But more than that it is fun to remember past events, and past people in your environment. It is also said that you grow old if you cannot remember things that you did or were part of when you were young. So, for that sake, for the sake of recalling past events The Curryer herein presents some flashes from the past years:

March 22, 1978

Dr. William L. Boyle, Jr. Named Curry's 12th President

Board of Trustees Chairman Dresser makes the historic announcement

... and all attention falls on the President-designate.

Dr. Boyle makes his first Curry speech, left and right.

On March 22 the result of a year long search for a new President was announced. Dr. Boyle, 44, President of Keuka College in New York, had been unanimously elected to the position, effective July 1.

Dr. Boyle is succeeding Dr. John S. Hafer, President since 1965. Dr. Hafer is moving to the new position of Chancellor.

Members of the Presidential Search Committee included Seniors Gretchen Baker, Joanne Roderiques, Kevin O'Connor; along with Ned Hastings, Fran Kohak, Bruce Steinberg, alumni Allan DesRosiers and Greg Galvin, and trustees Dresser, Herb Greif, Richard Kelley, and Dr. Richard Lord.

Dr. Hafer, the Curry President most responsible for what Curry is today, was given a standing ovation by the enthused crowd in room 119.

After the announcement a reception was held in the Parent's Lounge to enable us to meet with Dr. Boyle.

He promised in his first Curry speech that "I can't walk on water". Maybe he can't, but the betting is that he sure better be a good swimmer!

The Student Senate controls the entire student body via student voices on College committees, and more importantly by controlling the application of the student activity fees.

The 15th Senate was lead by Ellie Carabello after Kevin O'Connor resigned early in the fall. The 15th's legacy includes most importantly its passing into "law" the Calendar and Programming Board, as an alternative to the Social Committee versus Fine Arts junket of the past. The C&P Board will enable future Curry generations of students to enjoy more wide-spread cultural events, more sophistication, more enjoyable-educational entertainment, with less booze-first-all-else-second bashes and dances.

The 16th Senate was headed by Bill Round. Besides fine tuning the Calendar and Programming Board, they too left a legacy of their own. They elected to have short terms and replace themselves with a new form of student government: The SGA, or Student Government Association. This will become a more wide spread government, encompassing all the other important organizations within. While not all students think that this spells the end for WSGA and MGB; it undoubtedly should, for it is the most logical and simplest form of government for a campus the size of Curry.

Both Senates were lead by gutsy, foot-first, intelligent leaders who believe that the Senate has got to stand on its own feet and be heard (although the Administration hardly listens, and the Senate constituents don't care!). Ellie Carabello was also the first woman President!

Both Senates also strived to creatively control the Student Activity Fee in order to prevent waste, and best spread the money between many groups on campus, and also to encourage student activity by use of the SIP (Student Incentive Program) matching money.

Shown at a typical financial budget meeting, Fall Treasurer Mark Carter discusses budget allotments.

Centennial Events Committee

The group that is planning the major events for the 100 year celebration of Curry College met throughout the 1977-78 year to begin preparations. Included in the committee are students Kathy Sexton and Heidi Webb, along with members of the administration and faculty: President Hafer, Randy Kupferberg (Chairman), Fran Wildeboor, Warren Bazirgan, Alan Anderson, Ann Burnaby, Mr. Durk (of the Parents Association) and Don McNeil.

Darkroom Lab Assistants

Eric Arena, Bob Sisse, Dave Bergquist, and Ross Burbank (shown left to right above, Burbank missing) manned the darkroom in 1977-78, to help fledgling photographers see in the dark. Photography is getting to be bigger than ever at Curry.

Lawyers Club

Clockwise, Barbara Guzik, Frank Wheeler, Colleen Hanley, Bruce McEntee, Paul Turner, Bill Alley, J.J. Mirallegro (Pres.). Missing: Jon Beatty, Bill Boynton, Sue Gosselin.

The future Perry Masons of America or, otherwise known as, the Lawyers Club was formed this year to serve the needs of those students expressing interests in the field of law. Guest speakers, such as Dr. Chester Webb, Esquire, were often featured at weekly meetings.

Food Committee

Phil, Bunny, Cindy Smith, Dave Transom.

The Food Committee led by Phil Zur and Bunny Aronson put in many thankless hours working closely with cafeteria manager John Johnson to provide the students with well-balanced meals. As everyone knows it is impossible to please everyone and the cafeteria was not to be an exception. The ever famous Ham Hocks were just a tasting of the delicacies we were to enjoy. The constant complaints of this "I*#!s" and "please cook this", "don't cook that", "this has too much _____" were none-the-less taken account of by the committee. Keep up the good work!

Commuters Council

The Commuters Council is the governing board for non-resident students. Its members are elected to serve as liaison with the College community. The commuting students are gaining more and more recognition at Curry as they continue to assume leadership roles and become active members in many organizations. The Commuters Council also sponsors events of interest for both the resident and non-resident students at Curry. The emergence of Curry newcomer Richard Shepherd to lead the organization heralds brighter days for the commuters.

The 1977-78 broadcasting year at WMLN-FM was to be one of transition. With the addition of Alan H. Frank as Director of radio came many new ideas in programming and WMLN took on new goals and responsibilities. Programs such as "Moondial", "The April Fools Day Special", "Sounds of the Big Bands", "Target", "Classics 91", and the first on the road broadcast of Curry football will be remembered as new innovations. Once again, WMLN has helped prepare students at Curry for careers in broadcasting while providing the College and the community with all the best in entertainment, news and sports.

The Currier-Times

The local tabloid here at Curry is known as The Currier-Times; the student run newspaper. Through the media of print journalism the "Times" strives to provide the students with all the latest news, sports, and special events. The Currier-Times made its own headline this year with the first semester resignation of Editor Jordan Rich. Undaunted by this situation, the "Times" pressed onwards. Involvement with the newspaper offers students a creative outlet and acts as a developing and proving ground for those interested in journalism.

A blood drive, the now annual "Gong Show", and the end of the year "Olympics" were among the major accomplishments of 1977-78 by the Mens Governing Board. The MGB exists to help alleviate problems encountered by the male species, but in the process helps create events that the entire College community enjoy.

The Womens Self Governing Association underwent a change this year as it took on a new executive board . . . and a new name. The old WSGA has given away to become the Womens Council at Curry. The Council was evolved to better serve the needs of all female students of Curry, not primarily the resident females as before.

Under the guise of the Student Activity Building, The Loose Caboose, or just simply, The Pub, is probably the mainstay of Curry social life. These dedicated people on this page, who dispense "a bit of the brew", probably would put the A.A. in shock if they knew the amount of brew served. The Pub provides the community (and not always just the Curry community, alas) with an outlet for students to release anxieties from the stress and strain of schoolwork. On any particular Thursday night you'll find the Pub bustling and brewing as students warm up for the weekend. Students can go and enjoy a relaxing game of pool, or test their skills with foosball, ping pong, or pinball . . . or just grab a chair and a glassfull, or two glassfulls, . . . or three, . . . or four . . . Curry's high stepping Cheerleaders gave us something to cheer about this year. Spurred on by the football season the girls brought their spirit to the varsity basketball team ... and the crowd.

The girls brought along Curry spirit as they ventured along with both football and basketball teams to exotic far away places. To the Cheerleaders, for a job well done!

Also a cheerleader was Kathy O'Donnell, shown below.

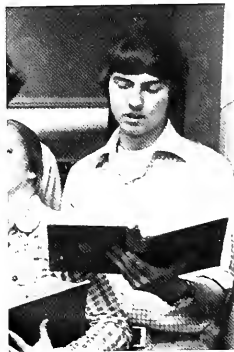

Social Committee

Fall co-chairpersons Kathy Sexton and Jeff Tarleton

The Social Committee once again put on a variety of social activities for the College community. Jeff Tarleton and Kathy Sexton co-chaired the committee the first semester and put on James Mapes, Homecoming, James Montgomery, dances, the Halloween night (tarot card readers, hypnotists, etc.), and a host of other events.

Clockwise from left: Gretchen Baker, Bob Sloan, Judy Pacheco, Mike Mahoney, Rick Bengtson, John Henningson, Joe Kennedy. Missing: Jeanne Turner.

The second semester was one of transition as the Social Committee gave way to the Programming Board concept that will begin in fall '78. In the transitional period Tom Campbell and Kenny Vaccaro put on dances, Rick Bengtson and Mike Mahoney put on movies, and Kathy Sexton and Bill Boynton produced Spring Weekend.

This year's football team had a respectable five wins and four losses, equalling their record for the previous year. They finished strong, winning four of the last five games.

The offense featured a devastating passing attack lead by freshmen Steve Leach and Bill Rumley. They combined for 1444 yards, with most of it coming from Rumley, who started for Leach after his injury. Catching most of the aeriels were Brian Forbes (33 catches, 3 TDs) and senior Mike Coppola (30 catches, 504 yards). Voted as outstanding lineman was Pat Race, whom with senior John Henningson and Steve Matthews formed the interior offensive line; which had a very good year.

Sophomore tackle Dave Berthiaume, sophomore linebacker Rick Padula, and senior linebacker Don Grosvenor all had tremendous years while leading the Colonel defense, one of the best in division III football. Padula lead the team in total tackles for the second consecutive year, and Grosvenor lead the team in quarterback sacks. Also helping the defense limit the opposition to just 74 points all season were defensive backs Mark Moroney, Bob Rose, and Jerry Santuccio.

The Colonels placed two players on the All-New England Conference Football Team: senior tackle Fran Mills, and quarterback Rumley.

High spirits helped to keep the Women's Soccer Team together. The twelve optimistic girls participated in an organized schedule under Coaches Kaufman and Williams. Although the girls had a winless season it helped to open up opportunities for women in sports.

The highlight of the season was the final game of the year against Tuft's University. Although the women played in the rain, the weather did little to dampen their spirits. Cathy Cronan and Ruth Holzman were the team's leading scorers.

The coaching of Jim Kaufman and Chris Williams helped to make this year's soccer team the most successful one in its four years of existence. The team, which finished 3-9, enjoyed their first win over Lowell's J.V. 2-0. Joy Odumusu was the team's leading scorer with five goals. Frank Macary and Jeff Levine shared the goalkeeping duties.

Enthusiasm of the participants and students alike helped to make this season a more prosperous one. Seniors Scot Wilson, Peter Paulli, Chan Donovanik, and Trevor Messiah will be missed next year for their leadership and efforts. This year's season was so successful that beginning in fall 1978 mens and womens soccer will be varsity sports.

The ice hockey team had a poor season this year posting a 3-11-1 record. Their high point came at the close of the season when they won two of the last three games. The season was not a complete loss however, because when you look at the scores of the games most of the losses were close losses.

From the goal position Steve McLean lead the team by his veteran leadership, and had it not been for his great skills in the crease the games would not have been close. Bob Hutchinson lead the team in goals (11) and tied for the lead for assists (12) with Vic Pacella.

Note: some scores missing, we apologize!

The baseball team had a very poor season, winning five out of sixteen games. For Coach Vallely, it was only his third losing season in thirty years as coach.

The Colonels had four regulars who hit over .300. Senior Larry Rosoff led the squad with a .385 average. Bob Clarke hit .353, and freshman Rob Senna hit .364. Nick Ricciardelli led the team with hits, batting .326.

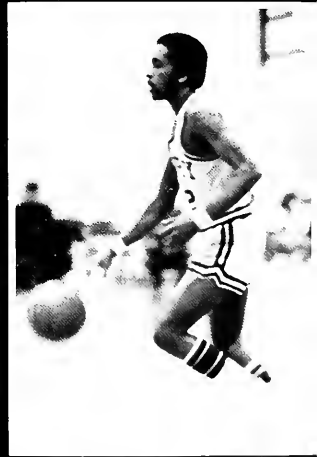

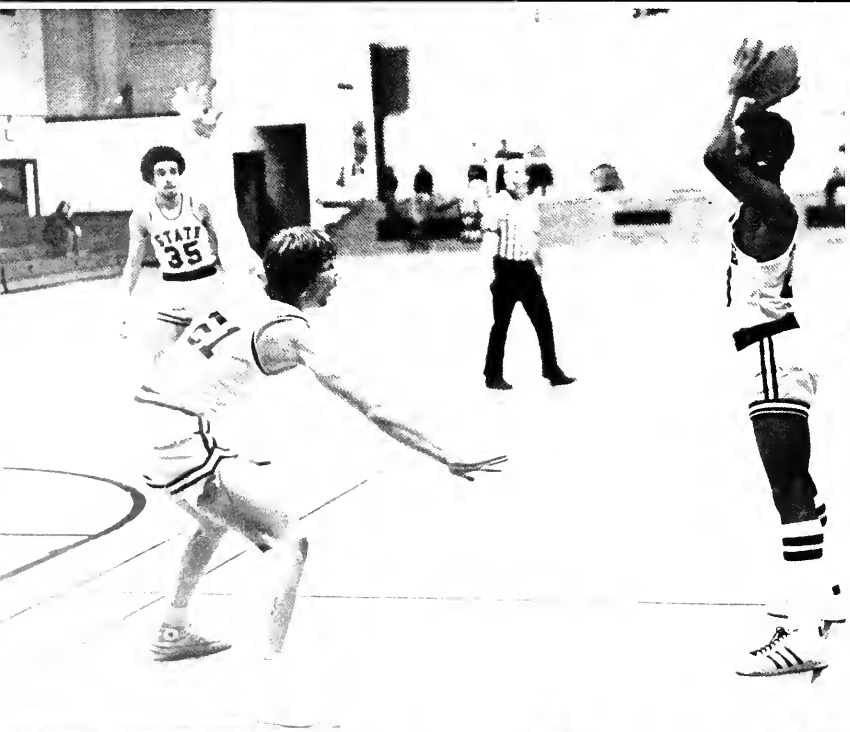

Senior Bob Smith led a much hit mound corps, compiling a 2-0 record with a 4.50 earned run average. Bob also hit .357 in limited action as an outfielder.

Norm Hopping led the team in innings pitched (20) and combined with Smith (18 innings), Senna (14.1), Ricciardelli (20 also) and Harrington (10.2) to do most of the pitching. Smith won two games, Ricciardelli won one, and the other two wins were by forfeit.

Hitting wise the Colonels had a good year, as usual. Hopping and Foley had home runs, and Foley tied with Clarke, and Senna for most doubles (3 each). But nine men had averages over .300: Nick Ricciardelli, Silk, Clarke, Smith, Senna, Rosoff, Galanis, Bright, and Brian Forbes. As a team the Colonels hit .280 with a slugging percentage of .360.

Keaney, most field goals made, 203, Holliday, field goal percentage, .596 (187 out of 314). Keaney, free throws attempted, 137, also most free throws made 103 (.752 percentage). Highest free throw percentage, Holliday, .806. Most points: Keaney 509, Holliday 457. Highest point average: Holliday 22.8, Keaney 21.2. High score for a game, Keaney 35, Holliday 34, Scott 22, Connolly 21, Kelly 16. Rebounds: Holliday 263, Keaney 169, Kelly 134, Scott 101. Average rebounds: Holliday 13.2, Keaney 7. Steals: Keaney, 80, Connolly 76. Average steals: Keaney 3.3, Connolly 3.2. Assists: Keaney 165, Dane 150, Connolly 85, Taylor 63. Average assists: Keaney 6.9, Dane 6.2. Disqualified: Keaney 8, Connolly 5, Holliday, Kelly, Geronaitis 3 each.

The Colonels enjoyed particularly good seasons from Keaney, Joe Kelly, Mayfield Holliday, and Charlie Dane. Gerry Scott and Jim Geronaitis were sharp freshmen that are counted on to fill the void left by Seniors Kelly and Keaney. The Colonels will be strong in the future with the return of Holliday, Scott, Geronaitis, Connolly, Dane, and Al Taylor.

Joe Keaney: Star!

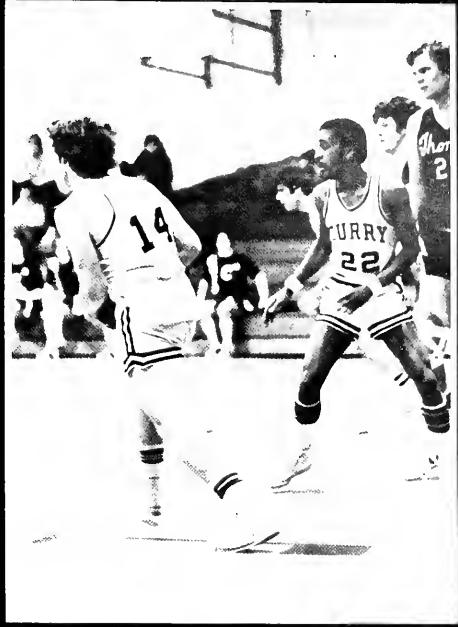

Joe Keaney did not play basketball at Curry for four years (Curry's loss) because he transferred in his junior year (Curry's gain). During his two year playing career at Curry he set a Division III record for scoring 1,000 points over a two year span. He thrilled the usually sparse Curry crowds (which grew as the teams reputation got better) and made quite a reputation as a basketball player, one of Curry's finest ever. The picture directly below is right after he scored his 1000 point, against U-Mass Boston. Congratulations Joe, on a fine career!

Jim Geronaitis, a freshman, came on strong at the close of the season.

Steve "Red" Connolly (#14) steals, Al Taylor (#22) watches for the beginning of a fast break.

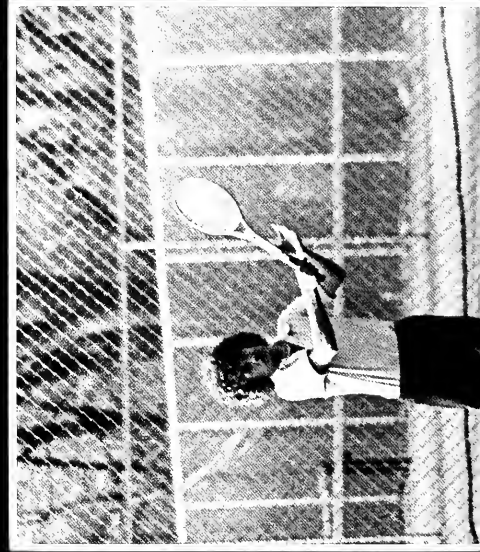

The defense is set, as a shot is attempted!

The Goal

Not to the swift, the race:
Not to the strong, the fight:
Not to the righteous, perfect grace:
Not to the wise, the light.

But often faltering feet
Come surest to the goal:

The sunrise of the soul

A Voice That is Still

In the years to come, memory will hold precious, not the brief moment of triumph, but the love and sympathy of comrades, and will seek to recall, not the plaudits of success, but "the touch of a vanished hand, or the sound of a voice that is still".

Life is hard for most, and needs inspiration.

The best friendship is that which inspires us to do better, to do our best.

No dewdrop perishes, but, sinking into the flower, makes it sweeter. Strength and beauty combine in the making of true manliness.

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

I shall be telling this with a sigh
Somewhere ages and ages hence;
Two roads diverged in a wood, and I-
I took the one less traveled by,
And that has made all the difference.

I came to Milton's secluded Curry College in search of answers. The education offered me facilitated the systemized probe for the available explanations. I expected to leave Curry with all the answers, ready to challenge the world. As I leave, I find the world challenging me.

In retrospect, I can appreciate the lessons learned in and out of the classroom.

Thank you all very much. Everyone I've known has affected me, thus helping me grow.

I've learned, loved, lost, yet survived it all. I've found many answers, most of which lead to yet more complex questions.

I will continue my search with the treasured memories of Curry forever active.

Growing up in a time when marriage is dwindling and the family is split up and bitter, it is comforting to be among the exception.

When I look at the example that was set in my home by my parents, I feel I will never have any grave problems when I eventually have a family of my own some day. We were always given a cheerful smile, a firm hand or a loving embrace whenever the circumstance called for them. Never were there words spoken and later regretted or small disagreements left to grow. My parents set an example for their four children to be one of pure love, unselfishness and understanding. There was never a time when we couldn't go to them with a problem and receive advice or assistance.

Through a long trying time we have all stuck by one another sharing optimism and disappointments. Now that my mother watches over us daily, I know the love between the rest of us will continue to grow.

I know of no other family which has been blessed with the parents that my brothers and sister and I were. It is now, after I realize that I would be nowhere without them, that I want to say thank you to my father, and to my mother who has returned to a peaceful, everlasting life that she so deserves. I love you both.

Your Life My Friend
There you are at a fork in the road,
Don't know where you're going, so
you're just going slow, You're afraid
if you have to choose, you win less
than you lose, Don't you know
Everybody's got to take a chance,
Everybody's got to make a stand,
You'll be choosing in the end, Cause
this is your life, my friend
Ain't no body can put the ropes on
you, but keeping your freedom, has
you tied up too, while you sit trying
to decide, there's so many things
that you could have tried
Everybody's got to take a chance,
everybody's got to take a chance,
You'll be choosing in the end, Cause
this is your life, my friend.
Something final in a closing door,
reminds you that you're not so
young anymore, and you see your
death death presaged, The turning
of a heart, the turning of a page.
J. and J. Hall

And now the end is near, And so I face the final
curtain, My friends, I'll say it clear, I've state my
case of which I'm certain, I've lived a life thats full,
I've traveled each and every highway, And more,
much more than this, I DID IT MY WAY.

Yes, there were times, I'm sure
you know, When I bit off more
than I could chew, But through
it all, When there was doubt, I
ate it up, I spit it out, I faced it
all, and I stood tall, AND DID
IT MY WAY.

Lynne Gutterman

Regrets, I've had a few, But then again too few to
mention, I did what I had to do, And so I threw
without exemption, I planned each chartered course,
Each careful step along the byway, And more, much
more than this, I DID IT MY WAY.

I've loved, I've laughed and cried, I've had my fill, my share of
loving, And now as tears subside, I find it all so amusing, To think I
did all that, And may I say not in a shy way, Oh no, oh no not me,
DID IT MY WAY

For what is a man, What has he got, If not himself, then he has not,
To say the things he truly feels, And not the words of one who
kneels, The records show, I took the blows, I DID IT MY WAY,
YES IT WAS MY WAY.

It's the nicest feeling under the sun
When someone says,
" Well done. Well done! "

And the youth said, Speak to us of Friendship
 And he answered saying:
 Your friend is your needs answered.
 He is your field which you sow with love
 and reap with thanksgiving
 And he is your board and your fireside.
 For you come to him with your hunger
 and you seek him for peace.

When your friend speaks his mind you
 fear not the "nay" in your own mind nor
 do you withhold the "ay."
 And when he is silent your heart ceases
 not not to listen to his heart;
 For without words, in friendship, all thoughts
 all desires, all expectations are born
 and shared with joy that is unclaimed.
 When you part from your friend you grieve not;
 For that which you love most in him may
 be clearer in his absence, as the mountain

to the climber is clearer from the plain.
 And let there be no purpose in friendship
 save the deepening of the spirit.
 For love that seeks aught but disclosure
 of its own mystery is not love but
 a net cast forth; and only the unprofitable
 is caught.

And let your best be for your friend.
 If he must know the ebb of your tide,
 let him know its flood also,
 For what is your friend that you should
 seek him with hours to live,
 For it is his to fill your need, but not
 your emptiness.
 And in the sweetness of friendship
 let there be laughter and sharing of pleasure.
 For in the dew of little things the heart
 finds its morning and is refreshed.

You call me a fool
you say it's a Crazy Scheme
This ones for real
I already bought the Dream
So useless to ask me why

I'll make it this time
I'm ready to cross that fine line.

"Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring, those ripples build a current that can sweep down the mightiest walls of oppression and resistance. Few are willing to brave the disapproval of their fellows, the censure of their colleagues, the wrath of their society. Moral courage is a rarer commodity than bravery in battle or great intelligence. Yet it is the one essential, vital quality for those who seek to change a world that yields most painfully to change. And I believe that in this generation those with courage to enter the moral conflict will find themselves with companions in every corner of the globe. For the fortunate among us, there is the temptation to follow the easy and familiar paths of personal ambition and financial success so grandly spread before those who enjoy the privilege of education. But that is not the road history has marked out for us. Like it or not, we live in times of danger and uncertainty. But they are also more open to the creative energy of men than any other time in history. The future does not belong to those who are content with today, apathetic toward common problems and their fellow man alike, timid and fearful in the face of new ideas and bold projects. Rather it will belong to those who can blend vision, reason and courage in a personal commitment to the ideals and great enterprises of American Society."

Release

Every piece of marble has a statue in it waiting to be released by a man of sufficient skill to chip away the unnecessary parts. Just as the sculptor is to the marble, so is education to the soul. It releases it. For only educated men are free men. You cannot create a statue by smashing the marble with a hammer, and you cannot by force of arms release the spirit or the soul of man.

... good byes are sad things
you leave behind dreams that you've
worked to make real
friends that you've suffered to love
and sometimes a quiet security that was built
with
half a lifetime
on the road and in life everywhere
you move along and leave your efforts
behind you
knowing deep inside that you'll never find
them
exactly the same again
often you spend too much time looking back
and miss something ahead
but there's little use in trying
to avoid the loneliness

and anxieties that go with you when you
move on
for that is life and it is a certainty
the road teaches you to accept good byes
as part
of hello to things that are never
and often better
it teaches you that what was loved
and learned
in the past
CAN NEVER BE LOST
on the road you spend much time
wondering
learning
and sometimes remembering
If sometime you remember
..... remember me.

At right: the class gift was a pair of benches for Westhaver Park. Installed before graduation, they are one of the few class gifts that ever showed up in the history of Curry College.

The day before graduation the class gathered together to practice for commencement, after the Champagne Breakfast. Immediately below is Commencement Committee Chairman Bazirgan, and below that is Commencement Marshall Tramondozi issuing instructions.

The Champagne Breakfast:

Summary of Commencement Address
Difficult Decisions in a Complex Society
by

Dr. Jean Mayer; Pres., Tufts Univ.

Your lives, with God's grace, will reach well into the twenty-first century. You will live in a world that is changing more and more rapidly, becoming increasingly smaller, more interdependent, and more complex. As citizens, you will have to deal with the problems posed by an increasing world population and a finite energy supply, the proliferation of nuclear weapons and the threat of environmental destruction, the need for economic growth and for social justice, the effect on work and lifestyles of our aging, post-industrial society, to name but a few.

These are not simple situations. They are complex and interrelated. Such problems cannot be solved piecemeal, in isolation, or with slogans, as we have thus far, for the most part, attempted to do. If there is one thought I would like you to remember after today, it is this: For every problem, there is one simple and obvious solution; and it is wrong. There are always costs and risks to be weighed, trade-offs and ripple effects to be considered, alternative uses for time, energy, and money. In national defense, energy policy, social and welfare programs, medical care, to give but four examples, we must learn to recognize and evaluate the many alternatives and to make reasoned choices.

If our choices are based on an understanding of our intellectual, spiritual, and social inheritance, the complex interrelationships in today's world, and the true nature of the decisions we face, these and other problems can be solved.

We are entering the most exciting time in the history of the world. We have the knowledge and the power to make it the best time, if we also have the will, the dedication, the patience, and the love-for our fellow men and women and for the fragile ecosystem around us. I believe that we have all four, and that you and your fellow graduates will prove me right.

Rev. Malcolm E. Washburn, Minister, East Congrega-
tional Church, Milton, gave the benediction.

Alma Mater, let us praise thee!
Clothed in beauty, rare art thou.
Old traditions cling about thee.
New ideas crown thy brow.

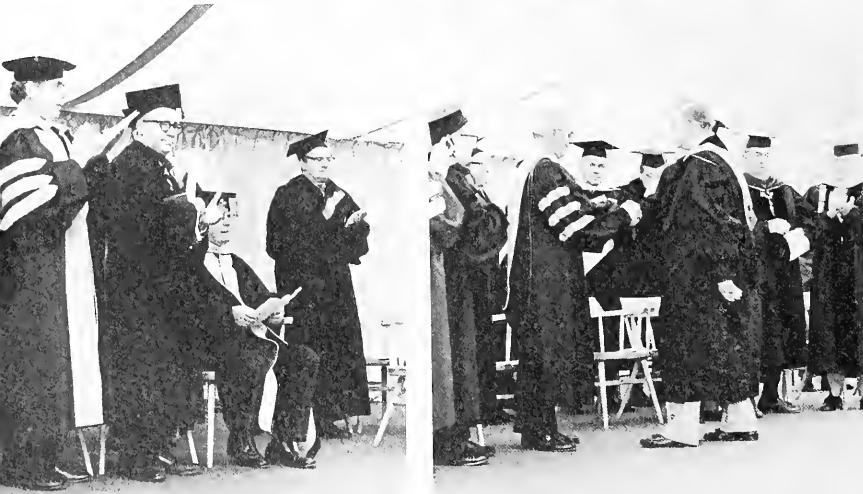

And thine eyes
are filled with visions
Truth and Mercy
meet in thee.
Alma Mater, let
us praise thee!
Ah that we may
worthy be!

Acting Dean Edward Hastings
presented the New Era Award,
and presented candidates for de-
grees.

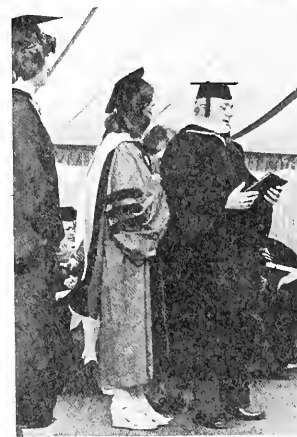

DISTINGUISHED GUEST: S.B. Ajasa-Oluwa, Chief of Lagos State, Nigeria, watched his son Michael graduate with the only Bachelor of Science degree conferred this year.

The commencement ceremonies were capped by an announcement by Chairman of the Curry Board of Trustees David Dresser that the Board had decided to rename the North Academic Center. The new name was to be The John S. Hafer Academic Center, in recognition of all that President Hafer gave Curry College. This was the last commencement presided over by President Hafer, as President. The pictures above depict a standing ovation for the President, and a handshake from Dresser.

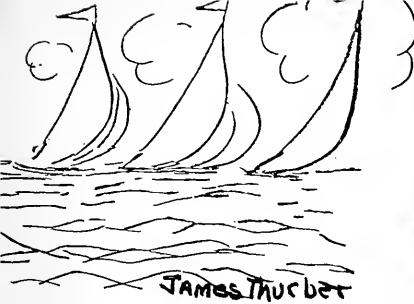

It's All Over

.....

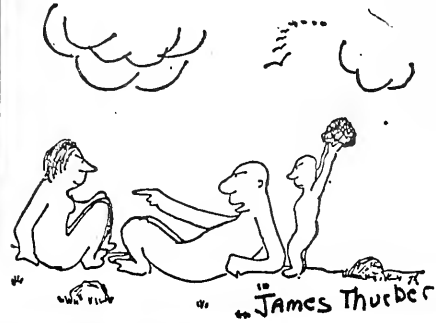

..... except the crying
..... except the five year re-
union ...
..... except the marriages
of some who went together
while at Curry ...
..... except the memories,
good and bad.

And now, now it is time, the
time has come, for the Class
of 1978 the lights are out,
the theater has closed.

Friendships exist
in laughs, cries
and pieces
of insanity.
While today
is changed
by passing time
And tomorrow
seeks to find
new dreams,
Yesterday's
remembered still
For the many moments shared.

Linda Silverman

I am walking now
Behind me stand the memories, the unfulfilled hopes, the shining
dreams.
But most of all,
the friendships I have worked so hard to build.
I cannot leave them, but I know that I must,
so, to compromise, I will take along as much as I
can remember.
I can remember uncertainty, I can remember joy,
I can remember sharing.
All of these will walk beside me as I travel on.
I am walking now.
Before me is an unfamiliar path
but I will not travel alone now
or any other time.
I will travel with memories of good friends.

All my life though some have changed.
Some forever, some for better,
Some have gone and some remain.
All these places had their moments
With loves and friends I still recall.
Some have gone and some are living,
In my life I've loved them all.

Thanks for helping

Ah, I am speechless. Given a space and the old well dries up. I had a poem that summed up my thoughts but I could not print it without the author's permission, and I'm too lazy to get that. Besides, he's been dead for about a hundred years. If you're interested ask me and I'll tell you what it is. Thanks everyone who has been a friend, or helped me in some way to survive my Curry duration. The memories will fade, but some of you will cling close to my thoughts. Good luck everyone, and take care.

KITH OF INFINITY

Hail, O Wind! Salutations!
 From a night wanderer seeking light
 searching a mystic land from which I have
 come:
 O wind, I am not human:
 I am a stranger from a different planet:
 Is it the same planet from which you, O wind,
 have come?
 I breathe as a man,
 I see with a man's eyes But I am not a man.
 O wind, rustling through the forest,
 eager whisperer
 doleful sigher
 Forever coursing
 the banks of some invisible river
 Borne through the darkness:
 Existing only in a quasitangible substance
 Carrier, uncarried!

Hail, O wind! I greet thee:
 Thou alone art the inhabitant of that world to
 which
 I am akin:
 For I am a shadow without body
 come from the unknown depth
 from the unattainable land
 Borne by the foam carried by the current . . .
 Oh epitomizer of purity I too am matter:
 I am interchangeable,
 I am energy, I am one,
 I am indivisible and single,
 One with all abstractions
 Foreign to that earth bounded by the impure.
 I am kindred to thee, O wind!
 I know thee as I know myself.
 Thou comest from mine own world through the
 barrier of
 time.

Retirements

Frank White leaves us after substantial service as Assistant Reference and Circulation Librarian. Frank personally took care of the important government periodicals in the Levin Library. Frank also made many friends over the years with his cynical and dry humor.

Mrs. Anne Grela worked for many years as the College Nurse at the infirmary. Highly considerate and friendly she always remembered who you were and had a kind word.

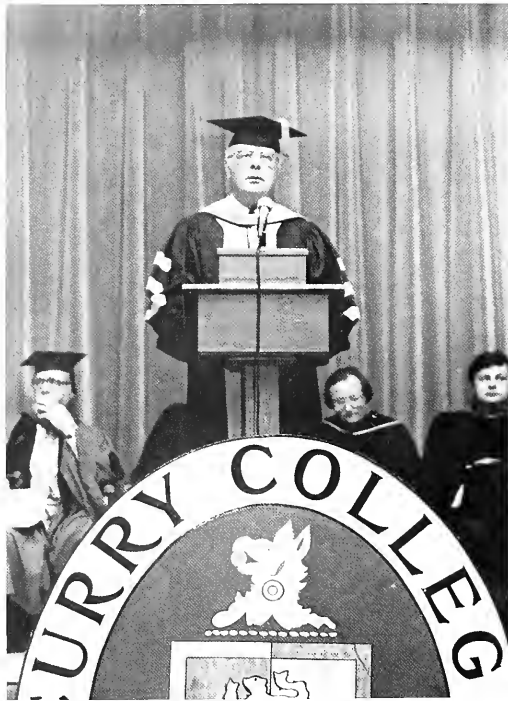

Dr. John O. Gawne leaves after serving Curry well in the position of Dean of Counselling Services. A man with a keen sense of dry humor, he'll be especially missed.

The Curryer, along with the rest of Curry College, wish Dr. Gawne, Nurse Grela, and Frank a happy retirement, and the best of wishes.

Editors Note

Not everyone will like this book. I love it. I believe that it is the best yearbook Curry has had to date. Just as 1977's was the best one ever done till then. Someone will always come around and do it better, you know the saying that records are made to be broken. Well, what do you think? Next year Eric Arena and Mary Carneiro have the one in a hundred chance to really do it up with the College Centennial. Go get 'em Eric and Mary, and have fun, and don't get discouraged because things don't ever work the way you planned it. God, I wish they did. If they did I would have had this book done on time for all my deadlines, but as it is evident that you are reading it now I must have finished it, eh?

What's to dislike in this book? Well, if you are one of those people who hide like a mouse there probably are not any pictures of you in here. If you go to lots of events or are chums with the photographers then you probably can take this book and find yourself many times. Just a word about the photographers. Several of them were from Miller Studio and had no bias what so ever, so if they missed you then you were not obnoxious enough to be seen. As for student picture takers they were a fairly diverse group and several of them did outstanding work. If you are not in here as much as you like I am sorry, next year maybe you should join the yearbook staff, because that is where the buck stops.

As is the usual procedure there are many people I have to thank. Warren Bazirgan was very kind and helpful as yearbook advisor. From Josten's Yearbook Co. Bob Murphy is the kind of company representative that should get an award. Bob helped me in so many ways I can't thank him enough. Thankyou to Miller Studio, which did a fine job on assignments and printing of photos. Big thanks to Eric Arena for all his effort, Mike Mahoney who always seemed to be there to take pictures, Jym-Ann Callan, who did the god-awful job of typing the directory, and Pat Kirchdorfer who spearheaded the ad campaign and brought in well over 1000 dollars. Gretchen Baker and Jeanne Turner coordinated the Senior effort, which resulted in the Senior section, a section which I think all the Seniors can be proud to be associated with. Ellie Carabello and Jane Neveleff brought with them many new ideas while they toiled on the activities part of the book, and they were probably the most diligent workers on the staff. To all the other staff members I thank you too, and I have tried to give credit where it is deserved.

What else can I tell you? If you are careful you can pull out pages 136 and 137 and hang it on your wall as a poster. The weird photo that has the photo credits overprinted on it was a weirdo darkroom stunt by Eric. We tried to save space for more pictures by eliminating divider pages between sections, and we also have an unusual paper stock which the Senior Week is printed on. As for things that we have missed or messed up, I truly apologize. I assure you that we made a 140% effort to make a yearbook that you will enjoy for years.

Sincerely,

Jeffery L. Tarleton
Editor, 1978 Curryer

Personal Note:

Through my four years at Curry I have enjoyed many unique, exciting, and challenging experiences. There are many people outside my family that helped contribute to the (mostly) excellent times: Gretchen, Rick, Prof. Henningson, Karl, John Murray (wherever he is!), Eddie Black; and many others whom I think of often but I can't possibly mention them all. I am also in great debt personally and professionally to Bob Capalbo, Bob Wertheimer, Dr. Keighton, Joe Finn, the many fine folks working for security, and again all those I can't mention now. God bless all of you; I'll never forget you and the years we shared at Curry!

The 1978 Curryer used only Kodak film in the making of the yearbook. For Black and White we used Tri-X, for color Vericolor Professional was used in most cases.

Printing paper in most cases was RC rapid with gloss finish. All paper was Kodak made.

Cameras used were 35MM in all cases except for Senior portraits and the endsheet aerial. Bengtson used a Minolta. Arena used a Pentax. The yearbook owned Fujica was used by Genovario. Karl Kildahl used a Ricoh. Tarleton, Mahoney, Paris, and Donovanik all used Canons.

Other Contributors:

Dean Barry Jackson: RA halloween picture
 Clark Linehan: Homecoming pictures
 Warren Bazirgan: Orientation, football awards night
 Ruth Burack: candids
